Notes

1 Indicates a cell to be selected or entered for each student.
2 Indicates a required course in term and sequence (to be taken when shown).
3 A course with an asterisk (*) requires the satisfactory completion of the previous/prerequisite course in the topical sequence.
4 Focus Courses have multiple sections/offerings from which to select, all carrying the same base course number.
5 Professional Electives may be chosen from any 6000/7000/8000 course in the College of Design.
6 Professional Electives in Year 1 may be deferred to later semesters if a student elects to take a non-prerequisited required course sooner (i.e. 7350, 7360)
7 Students entering with qualifying credit for required courses shall achieve Total Required Program Credit Hours with additional Professional Electives.
8 A grade of C or better must be achieved for a course to count towards the Total Required Program Credit Hours.
