

CAREER FAIR

04.07.17
1:00PM - 4:00PM
ARCHITECTURE WEST ATRIUMS

SCHOOL OF ARCHITECTURE
SCHOOL OF CITY & REGIONAL PLANNING
SCHOOL OF PUBLIC POLICY

This year, Georgia Tech's Architecture, City and Regional Planning, and Public Policy schools will collaborate to help employers recruit the best career-minded design and planning students. This event will not only enhance the fit between employers and graduating students in architecture, city and regional planning, geographic information science, public policy and urban design, but also serve to open doors for intern placements.

A list of registered companies will be shared prior to the event.
