EXHIBITIONS

1.13 - 2.03

STUBBINS GALLERY

PORTMAN STUDIO CRITIC

Curated by: Claire Weisz

Claire Weisz is a founding principal of WXY, an award-winning multi-disciplinary practice specializing in urban design, planning and architectural solutions in challenging contexts. Focused on innovative approaches to public space, structures and urban issues, her work engages both site-specific design and planning at multiplescales.

1.27 - 2.17

COHEN GALLERY

I SEE WHAT YOU DID THERE: BARCELONA

Curated by: Mark Cottle & Sabir Khan

An overview of the second Undergraduate International Studio, offering a glimpse of the travels, site visits, courses, and design work produced during their residency in Barcelona in the fall of 2016.

2.21 - 3.03

COHEN GALLERY

HINES ULI COMPETITION ENTRIES 2017

Curated by: Ellen Dunham- Jones

Submissions from Georgia Tech's 11 multi-disciplinary teams of variously-anchored mixed-use development proposals for a former industrial site on the North Branch of the Chicago River.

3.06 - 4.07

STUBBINS GALLERY

WORK FROM THE VENTULETT STUDIOS

Curated by: Marc Simmons

Student work from five years of Design & Research studios taught by Marc Simmons, the Thomas W. Ventulett III Distinguished Chair in Architectural Design.

3.06 - 4.07

COHEN GALLERY

PHD RESEARCH: DIVERGENCE

Curated by: Thanos Economou

A snapshot of current doctoral work at the College of Design at Georgia Tech including projects from the School of Architecture, City and Regional Planning, Building Construction, Industrial Design and Music.
